Experiencia

Agosto 2020 - Febrero 2021	RappiMaker **Rappi Inc.** Bogota	An incredible experience working with the application. I learned how the system worked and became part of a great community.
Febrero 2021 - Actualidad	Backen Developer **Rappi Inc.** Bogota	Developing solutions for rappi on the tech area like backend developer and learning the best preactice in the industry.

Educación

2017

Academic Bachelor
Instituto Alberto Merani Bogota

Various intercollegiate sports achievements in the institution's Ultimate Frisby team. Team created by me and a partner.
Thesis on teaching and democratic culture in schools as a graduation requirement.

2019 - 2021

Software Engineer
Holberton School Bogota

Constant and disciplined study within the academy. Enter without knowing absolutely nothing about programming or the world around you and here I learned everything I know so far. My qualifications are always considerably above the minimum required, thus seeking excellence.

Idiomas

Spanish: Native Language
English: Intermediate level (B1 convectional)

Competencias

Pyhton	Haproxy	HTML	C
JavaScript	SSL certification	CSS	
Mysql	Firewalls	Python ORM	
Nginx	Flask	(SQLAIchemy)
